

INSTALLATION FEATURE COLES HQ MELBOURNE

When the Coles HQ project was designed, consultants MTD Group specified the latest in proven technology for the hot and cold serving areas, as well as providing the most efficient kitchen exhaust canopy system for performance and comfort. Naturally, FSM was able to supply the very best from around the globe for this impressive installation completed by KBR Commercial, with Hatco[®] HBGB Drop-In Black Ceramic Glass Heated Shelves, IFI Hot & Cold Drop-in Display and Britannia Capturestream Exhaust canopies. Yellow brand commercial tapware was also specified for this busy venue.
