

## TOMATO SABER

### PRINCE CASTLE'S TOMATO SABER IS THE WORLD'S LEADING TOMATO SLICING SYSTEM.

The exclusive Perma-Tight® blade cartridge never requires blade tightening or adjusting. Blade replacement is fast and easy – simply snap the blade cartridge into position and the Saber is ready to use.

A contoured pusher head holds the tomato in place for slicing, and permanently lubricated bearings ensure the slicing stroke is smooth and quick.

The exclusive tomato catcher snaps onto the unit and catches the sliced tomato for easy handling.

Used around the world in some of the busiest food outlets, the Prince Castle Tomatao Sabre is the only choice for productivity and longevity.

CODE	DESCRIPTION
943-A	Tomato Saber 4.7mm Slice (12 blades)
943-B	Tomato Saber 6.3 mm Slice (9 blades)
