Providing proper food serving temperatures, the **Decorative Carving Station** combines the **Hatco Decorative Heat Lamp** with the Swanstone® Heated Base to create an attractive carving display. These warmers are perfect for chef stations in restaurants, hotels, country clubs, casinos and catered events.

STANDARD FEATURES

- Available as Post Mount, Counter Mount or Freestanding with a round or rectangular heated stone base
- Patented telescoping adjustable post pivots 30° to put the heat and light where it is needed
- Height can be adjusted from from the bottom of lamp to top of the cutting board.
