

DOMES & MINI DOME GARNISH CENTRE

San Jamar offer a range of excellent systems for food and bar service.

The Dome Garnish Centre units are the all-in-one solution designed by bartenders to offer the most efficient, hygienic and flexible dispensing.

Dome features a patented dome lid that rotates back for easy access and increased capacity when closed. Snap-in caddies store straws, stirrers, picks etc. for better hygiene and convenience.

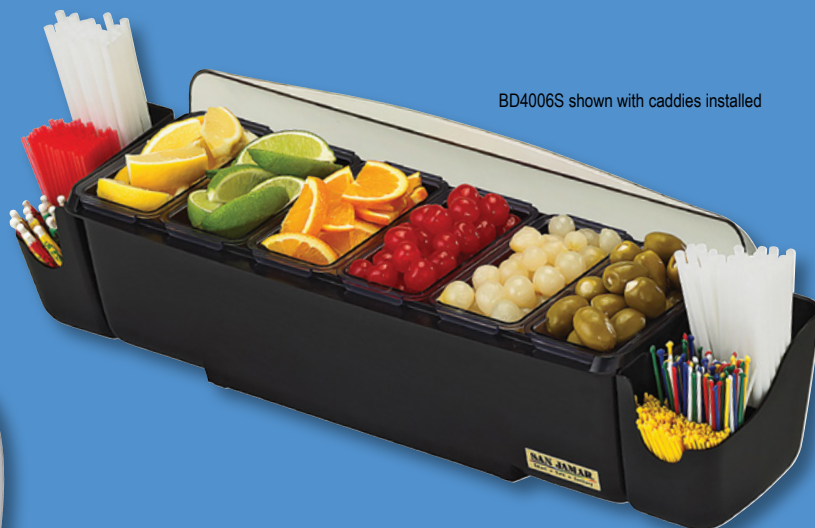

Use standard size trays to keep food chilled or

optional deep trays for more capacity - the choice is yours. The unit is slanted towards the operator for convenience.

Tailor the Dome to suit your venue's requirements. Mini Dome provides the easy economical way to add storage and capability to your Dome unit as a snap-on or standalone.

BD4006S

- ▶ The domed lid rotates back for easy access and increased capacity when closed whilst improving hygiene. Six trays are included.
- ▶ Use standard size trays to keep food chilled or optional deep trays for extra capacity.
- ▶ Integrated snap-on caddies store straws, stirrers and picks.

BD4006S shown with caddies installed

BD2002

- ▶ Connectors provide modularity between Mini Dome, Dome and snap-on caddies.
