# INSTALLATION FEATURE

## CROWN CASINO - THINK ASIA

Located in a prime position in the Food Court at Crown Casino, Think Asia Group's two new restaurants, Tandoor and Think Asia rely on Hatco heated shelves for consistent food serving temperatures and maximum visual appeal, whilst in the kitchen, state-of-the-art Britannia Capturestream UV Exhaust canopies provide the necessary kitchen ventilation and extraction for efficient safe and comfortable operation. The dramatic copper clad tandoor exhaust canopy has great front of house visual appeal as well as efficiency.
