INSTALLATION FEATURE

ST. BREW COLLINS STREET

This trendy venue sits in a prime location offering indoor/outdoor dining and several unique areas to relax and enjoy great food and drink. Project Manager Rick Andraos decided on the sleek modern look of the FSM Refrigerated Display Cabinet Series whilst Hatco Heated Shelves and Glo-Ray adjustable overhead infra-red units provide consistent food serving temperatures and maximum visual appeal. In the kitchen, FSM Refrigerated Preparation units with gastronorm pans are used in the fresh sandwich area.
