

# SAF-T-WRAP DISPENSER

**Makes proper food rotation faster and easier by combining wrapping and date labelling tools in one convenient location.**

Saf-T-Wrap® Station holds film or foil, dating labels and includes storage areas for box cutters, pens and markers.

Safer and more sanitary than dirty film and foil boxes, Saf-T-Wrap® Station's commercial-grade

suction cup feet hold securely to countertops during use, minimising cut injuries.

The entire unit is dishwasher-safe and NSF Certified.

## SW1218

- ▶ Saves money by reducing labelling time and minimizing food waste by aiding in FIFO food rotation.
- ▶ Dispenses dating labels in multiple sizes and configurations.
- ▶ Available with safety blade for film, foil and paper.

Due to our policy of continual product development and improvement, all details and specification are subject to change without notice.
