

INSTALLATION FEATURE

ALPHA IN-FLIGHT CATERING

Alpha In-Flight Catering's very large new site at Tullamarine Airport was taking shape when these photos were taken of the multiple rooms of cookbanks and dishwashing systems. Impressive is an understatement. SRS Mechanical in Melbourne were responsible for the air and ventilation systems, including the Britannia Capturestream® Exhaust Canopies over the extensive cookbanks and all the Dishwash Hoods over the conveyor dishwashers. The Britannia Canopies easily met all the specifications for this important project, and Yellow Tapware takes care of important pre rinse functions.

EQUIPMENT USED IN
THIS INSTALLATION:

Britannia
kitchen ventilation

yellow
tapware
