

DROP IN ICE CREAM FREEZER

The Silver King Drop in Ice Cream Freezer is easily installed in any bar or bench top. Complete with stainless steel interior with covered corners for fast, easy cleaning.

There is an anti-condensation heater around the top opening to prevent moisture formation.

Insulated with environmentally friendly polyurethane foamed-in-place for maximum efficiency, strength and durability.

SKDI FEATURES INCLUDE

- Refrigeration system is CFC-free, hermetically sealed, and self contained with fan cooled condenser.
- Cold wall evaporator provides optimum ice cream dipping temperature.
- Comes with adjustable electronic temperature control.
- Drop in Model features heavy gauge, galvanised steel welded angle frame and base assembly.

Due to our policy of continual product development and improvement, all details and specification are subject to change without notice.
