

The new multipurpose *HeatMax* Portable Round Heated Wells from Hatco Corporation offer the versatility of a food warmer, soup kettle, Bain-Marie heater, steamer, and pasta cooker all in one.

With a range of temperature settings, HeatMax can boil pasta and soup noodles, steam dim sum, keep food warm, hold soups, curry, gravies, and toppings at safe serving temperatures. Heat is evenly distributed throughout the unit to hold foods at desired temperatures, and the insulated, stainless steel design offers easy maintenance, economy and durable performance. Available in single or dual 10-litre models with hinged lids.
