

The Carlisle **IC222003** CATERAIDE black mobile ice bin can be used to transport ice for catering purposes or used to keep ice cold at an outdoor bar or remote service station. It utilizes extra thick foam insulation to keep up to 200 lb., or about 25 gallons, of ice cold! Its compact design features two lids that lay flat when opened to save space and allow you to use it in crowded areas. Plus, the dual handles on this bin allow for easy maneuverability in tight quarters. It includes 2 swivel (1 locking and 1 non-locking) non-marking casters and its 10" non-marking back wheels easily roll over uneven terrain.
