STANDARD FEATURES

- Uniform heat distribution with blanket-type element
- Built-in adjustable thermostat controls surface temperature
- Available in widths from 1524 - 1829 mm and 305mm depths
- Extruded aluminum base with stainless steel top
- Standard legs: 25mm rubber
- All models include a 1829 mm cord and plug attached

Hatco's Glo-Ray Heated Shelf has an extruded aluminum base with non-slip rubber feet, stainless steel top and blanket-type element for uniform heat distribution. Fiberglass insulation keeps heat at the holding surface while a built-in adjustable thermostat controls surface.
