"You" means the person, firm or company placing an order with Us for the Goods and "Your" means belonging or pertaining to You.

2. Application of Trading Terms

(a) These Trading Terms apply to every sale of Goods and/or supply of Services by Us to You. Each Order made by You and accepted by Us will be an individual contract for those Goods and/or Services in accordance with these Trading Terms.

(b) Subject to any special trading terms agreed to between You and Us and recorded in Your Account Application Form or separately in writing, these Trading Terms (together with any quotation, offer, current catalogue, or price list produced by Us) shall comprise in entirety Our terms and conditions of trade.

(c) In the event of any inconsistency between these Trading Terms and any other document, these Trading Terms shall prevail and any trading terms nominated by You are expressly excluded. Any warranty, representation or guarantee not included or provided for in these Trading Terms is of no effect.

(d) If any part of these Trading Terms, or the application of these Trading Terms to any person or circumstance, is or becomes invalid or enforceable, the remaining provisions of these Trading Terms are not affected and are valid and enforceable to the fullest extent permitted by law.

(e) We may amend these Trading Terms from time to time without notice to You and You will be deemed to have had knowledge of such amendments and have accepted these Trading Terms as amended if You continue to purchase Goods and/or Services from Us after such amendment. Each subsequent supply of Goods and/or Services by Us to You will be in accordance with these Trading Terms as amended.

3. Agreement

(a) Any quotation or offer produced by Us is subject to review, amendment or withdrawal at any time prior to acceptance by You or the expiry of the quotation or offer (whichever occurs first).

(b) Subject to (c) of this clause, Our quotation or offer will be deemed to have been accepted by You and a binding agreement entered into with You on the date We receive Your Order. Any Order which has been accepted by Us may not be cancelled by You without Our written consent (which We may withhold in Our absolute discretion) and then only on the basis that You will indemnify Us in full against all loss (including loss of profit), costs (including the cost of labour and materials used), damages, charges and expenses (including legal costs on a full indemnity basis) incurred by Us as a result of such cancellation. Cancellation of any Orders for Goods which are non-standard manufacture or non-stock items will not be accepted.

(c) We reserve the right to decline, in whole or in part, any Order received from You in Our absolute discretion.

(d) You are solely responsible for determining whether the Goods and Services are suitable for Your intended purposes and meet Your requirements and You acknowledge that no oral or written information, representation or advice given by Us (other than as contained in these Trading Terms) creates a warranty from Us or in any way increases the scope of these Trading Terms.

(e) You agree to notify Us in writing of any change in the ownership or control of Your business structure not less than 7 days prior to such change taking effect and You indemnify Us against any loss or damage We may incur as a result of Your failure to provide such notification.

(d) We may set, alter or withdraw credit limits and terms in Our absolute discretion and without giving prior notice to You or providing reasons.

(e) Payments due to Us must be made without any deduction or set-off. We may apply the amounts paid to Us in payment of any amount owed by You. If You dispute Our invoice or statement, You must still pay the entire amount. We will refund any agreed amount following resolution of the dispute.

(f) If You fail to pay Our invoice or statement (whether in whole or in part) by the due date, without limiting any other provision in these Trading Terms, We may (in Our absolute discretion):

(i) suspend or cancel any further production and/or delivery of any Goods or supply of any Services (whether under an existing or new Order) until full payment of all outstanding amounts owed to Us (including accrued interest if applicable) has been made;

(ii) charge interest on any amount outstanding in respect of Our invoices, at the rate of 1.5% per month, such interest to be calculated daily and compounded monthly, until full payment has been made (such interest rate to be subject to amendment from time to time by Us in Our absolute discretion);

FOOD WASTE MACERATOR AND DE-WATERING UNIT

From the world leaders in waste management, comes the revolutionary, and self-contained WasteStation De-waterer and Macerator.

Food waste comprises of up to 80% liquid and can be extremely costly to dispose of.
