

Our Condiment Pump Service Centers are perfect for dispensing condiments, dressings and sauces. These attractive pump centers are an ideal solution for self-service areas and back-of-the-house applications where portion control is critical. Ultra Pumps dispense 1-ounce portions; available with 2, 3 or 5 pumps.

PUMP SYSTEM

P9712, P9713 and P9715

- Premium Pumps – The perfect solution for self-service dispensing of condiments, dressings and sauces in high-traffic environments
- Portion Control – Ultra pumps dispense 1-ounce portions for consistency and accuracy
- Durable Construction – Made of break-resistant stainless steel for attractive appearance and long term use
- Easy-to-Clean – 2-1/2 quart jars easily remove for cleaning and refilling
