TERMS AND CONDITIONS Effective 1 February 2024

The following Trading Terms supersede all previously terms and condition issued by Us.

1. Interpretation

In these Trading Terms and in any quotation, offer, current catalogue, website, price list produced by Us or other agreement with Us, the following definitions apply:

"Account Application Form" means the application form completed and provided by You for the purposes of opening a credit account with Us.

"Goods" means goods supplied by Us to You (and, where the context so permits, shall include any supply of Services) and described in any quotation, offer, current catalogue, website or price list produced by Us.

"Guarantor" means the guarantor(s) described in the Account Application Form, subject to acceptance by Us.

"GST" means the goods and services tax that applies in accordance with A New Tax System (Goods & Services) Act 1999 (Cth).

"Order" means any written, verbal or electronic purchase order made by You for Goods and/or Services.

"Prices" means the prices attributable to the Goods and Services as advised by Us in any quotation, offer, current catalogue, website or price list produced by Us and "Price" shall have a corresponding meaning.

"Services" means all services supplied by Us to You and includes any advice or recommendations (and where the context so permits shall include the supply and installation of any Goods).

"Trading Terms" means these terms and conditions of trade and includes any amendment or variation.

"We" and "Us" means F.S.M. [Food Service Machinery] Pty. Ltd. (ABN 9057185 4991) and includes any Related Bodies Corporate (as defined in the Corporations Act 2001 (Cth)) which supplies Goods and/or Services to You (whether or not the fact is disclosed to You) and "Our" means belonging or pertaining to Us.

"You" means the person, firm or company placing an order with Us for the Goods and "Your" means belonging or pertaining to You.

2. Application of Trading Terms

(a) These Trading Terms apply to every sale of Goods and/or supply of Services by Us to You. Each Order made by You and accepted by Us will be an individual contract for those Goods and/or Services in accordance with these Trading Terms.

(b) Subject to any special trading terms agreed to between You and Us and recorded in Your Account Application Form or separately in writing, these Trading Terms (together with any quotation, offer, current catalogue, or price list produced by Us) shall comprise in entirety Our terms and conditions of trade.

(c) In the event of any inconsistency between these Trading Terms and any other document, these Trading Terms shall prevail and any trading terms nominated by You are expressly excluded. Any warranty, representation or guarantee not included or provided for in these Trading Terms is of no effect.

(d) If any part of these Trading Terms, or the application of these Trading Terms to any person or circumstance, is or becomes invalid or enforceable, the remaining provisions of these Trading Terms are not affected and are valid and enforceable to the fullest extent permitted by law.

(e) We may amend these Trading Terms from time to time without notice to You and You will be deemed to have had knowledge of such amendments and have accepted these Trading Terms as amended if You continue to purchase Goods and/or Services from Us after such amendment. Each subsequent supply of Goods and/or Services by Us to You will be in accordance with these Trading Terms as amended.

3. Agreement

(a) Any quotation or offer produced by Us is subject to review, amendment or withdrawal at any time prior to acceptance by You or the expiry of the quotation or offer (whichever occurs first).

(b) Subject to (c) of this clause, Our quotation or offer will be deemed to have been accepted by You and a binding agreement entered into with You on the date We receive Your Order. Any Order which has been accepted by Us may not be cancelled by You without Our written consent (which We may withhold in Our absolute discretion) and then only on the basis that You will indemnify Us in full against all loss (including loss of profit), costs (including the cost of labour and materials used), damages, charges and expenses (including legal costs on a full indemnity basis) incurred by Us as a result of such cancellation. Cancellation of any Orders for Goods which are non-standard manufacture or non-stock items will not be accepted.

(c) We reserve the right to decline, in whole or in part, any Order received from You in Our absolute discretion.

(d) You are solely responsible for determining whether the Goods and Services are suitable for Your intended purposes and meet Your requirements and You acknowledge that no oral or written information, representation or advice given by Us (other than as contained in these Trading Terms) creates a warranty from Us or in any way increases the scope of these Trading Terms.

(e) You agree to notify Us in writing of any change in the ownership or control of Your business structure not less than 7 days prior to such change taking effect and You indemnify Us against any loss or damage We may incur as a result of Your failure to provide such notification.

4. Documents

Any clerical or typing errors, misprints or other similar errors in any document produced by Us in respect of Goods and/or Services are subject to correction by Us by either amending or re-issuing the affected document (as the case requires). We shall not be liable for any cost, expense or damage incurred by You as a result of any correction of any document produced by Us.

5. Intellectual Property

You acknowledge and agree that:

(a) any intellectual property rights in respect of the Goods and Services (including, but not limited to, rights to design, copyright, patents or trademarks in respect of all drawings, designs, specifications and other information provided by Us in connection with any quotation, offer, current catalogue, website, price list produced by Us) remain Our sole and exclusive property and must remain confidential and You will not attempt to claim any such intellectual property rights in respect of either the Goods and Services or any modification or improvement of the Goods and Services;

(b) You must not attempt to modify or reverse engineer the Goods and Services; and

(c) in all cases where You have provided the design for any Goods and Services, We will not accept any responsibility for any infringement of any design, copyright, patents or trademarks or other intellectual property in connection with the execution of Your Order and You agree to indemnify Us against claims for infringement or unauthorised use of such intellectual property arising out of the manufacture or use of such Goods and Services.

6. Prices and Charges

(a) You agree to buy and We agree to sell the Goods and Services for the Prices.

(b) All Prices and all amounts payable to Us are exclusive of GST or any other applicable government tax or duty, unless otherwise indicated. You must pay all such taxes and duties in connection with those amounts.

(c) The Prices include the cost of Our standard packaging for the Goods. The cost of any special packaging materials or techniques requested by You in connection with the Goods must be paid for by You in addition to the Prices.

(d) We reserve the right, from time to time but prior to issuing any invoice to You, to increase the Prices:

(i) to take account of increases in the cost of supplying the Goods and/or Services to You (which may include, but are not limited to, increases in the cost of energy, materials, labour, equipment or delivery) which are due to any factor beyond Our reasonable control or are due to Your failure to provide adequate information or instructions; or

(ii) to correct, without any liability on Our part, any errors or omissions quotation, offer, current catalogue, website or price list produced by Us.

7. Payment

(a) We reserve the right to pass on to You any additional costs (including merchant fees) incurred by Us where You pay Us by credit card (if applicable).

(b) If We have not provided credit terms to You, You must pay for the Goods prior to delivery.

(c) If We have provided credit terms to You, You must pay for any Goods and/or Services provided to You within the time period stated in Our invoice or statement for such Goods and/or Services. If We have not stated a time period for payment, You must pay for the Goods and/or Services within 30 days of the end of the month in which we issued Our invoice or statement for the Goods and/or Services.

(d) We may set, alter or withdraw credit limits and terms in Our absolute discretion and without giving prior notice to You or providing reasons.

(e) Payments due to Us must be made without any deduction or set-off. We may apply the amounts paid to Us in payment of any amount owed by You. If You dispute Our invoice or statement, You must still pay the entire amount. We will refund any agreed amount following resolution of the dispute.

(f) If You fail to pay Our invoice or statement (whether in whole or in part) by the due date, without limiting any other provision in these Trading Terms, We may (in Our absolute discretion):

(i) suspend or cancel any further production and/or delivery of any Goods or supply of any Services (whether under an existing or new Order) until full payment of all outstanding amounts owed to Us (including accrued interest if applicable) has been made;

(ii) charge interest on any amount outstanding in respect of Our invoices, at the rate of 1.5% per month, such interest to be calculated daily and compounded monthly, until full payment has been made (such interest rate to be subject to amendment from time to time by Us in Our absolute discretion);

(iii) exercise a general lien on any of Your property within Our possession or control to cover the outstanding amount for the Goods and/or Services;

(iv) withdraw (in full or in part) any discount, concession, allowance or benefit which was previously offered to You; and

(v) recover from You, in addition to the outstanding amount, all costs incurred by Us arising out of or in connection with collecting the outstanding amount (including, but not limited to, expenses and fees associated with or paid to or on account of solicitors, legal advisers, mercantile agents and other agents acting on Our behalf) and the amount payable will be a debt due and payable without demand from the date on which We incur liability for the cost, expense or fee.

TERMS AND CONDITIONS (continued)

8. Security Interest and the Personal Property Securities Act 2009 ("PPSA")

If you have a current credit facility in place with Us, You acknowledge and agree that the following terms apply:

(a) We may require You to provide security for any Order placed by You as a condition of accepting Your Order and the terms of the Personal Property Securities Act 2009 (Cth) ("PPSA") apply to all transactions made under these Trading Terms.

(b) You acknowledge and agree that You will:

(i) grant a security interest in all present and after acquired Goods as security for all amounts owing now and in the future by You to Us;

(ii) do all things and sign all documents as are necessary and reasonably required to enable Us to acquire a perfected security interest in all Goods supplied;

(iii) provide such information as is required to enable registration of a 'Purchase Money Security Interest' (as that term is defined in the PPSA) ("PMSI");

(iv) not, without obtaining Our prior written consent, change Your name or initiate any change to any registered documentation, or act in any manner which would impact on Our registered security interest; and

(v) waive or exclude the application of such sections of the PPSA as We may require, subject to those sections being capable of exclusion.

(c) You further acknowledge that a PMSI is granted by You, in priority to all other creditors, in favour of Us and in respect of all Goods We supply to You from time to time, as security for Your payment obligations to Us. You agree to indemnify Us for any liability for all costs (including legal costs on a full indemnity basis) incurred by Us in relation to any security interest granted by You (including, but not limited to, registration, maintenance, enforcement or discharge of any security interest).

(d) We reserve the right at any time to make such amendments, alterations to this 'Security Interest' clause as We may, in Our absolute discretion, determine are necessary to protect Our security interests.

9. Title and Risk

(a) Title to and ownership of the Goods shall not pass to You until We have received full payment for the Goods and for any other amounts owing by You in relation to any other matter (including payments in respect of other goods or services provided to You from time to time) and You shall hold the Goods (including where such Goods have been converted or changed by any process) as fiduciary bailee and agent for Us.

(b) Risk in the Goods shall pass to You upon completion of delivery in accordance with these Trading Terms.

(c) You acknowledge that We hold a PMSI (as defined in clause 8) in respect of any Goods supplied to You until We have received full payment in respect of such Goods. You must not pledge, or in any way charge by way of security or indebtedness, any of the Goods until We have received full payment.

(d) Upon taking delivery of the Goods and until We receive full payment for the Goods and for any other amounts owing by You in relation to any other matter, until the Goods are sold by You in the ordinary course of your business, You must:

(i) keep the Goods in Your control and custody and not permit any other person to have possession, custody or control of the Goods;

(ii) keep the Goods separate from any other items or goods in Your possession and mark the Goods to clearly show that the Goods belong to Us;

(iii) not pledge, or in any way charge by way of security or indebtedness, any of the Goods;

(iv) permit Our nominated representative to attend Your premises on prior notice to inspect the Goods; and

(v) deposit all proceeds from the sale of the Goods into a separate and identifiable account, not mix such sale proceeds with any other money and account to Us for such sale proceeds;

and We may trace all such sale proceeds received by You through the relevant account or any other account maintained by You. In addition, You irrevocably appoint Us as Your attorney to recover any such sale proceeds from any purchaser to whom You have on-sold the Goods and to exercise Your rights under any agreement with such purchaser (including rights of repossession and resale of the Goods) provided that We undertake not to exercise such rights as Your attorney unless You have failed to comply with Your payment obligations to Us under these Trading Terms.

(e) Without prejudice to any of Our other rights, if You fail to comply with these Trading Terms, if You cease to be able to pay Your debts as they become due or if You become subject to any form of insolvency administration:

(i) all amounts owing by You to Us shall immediately become due and payable;

(ii) We have the right to immediate possession of the Goods and You irrevocably authorise Us to enter any premises occupied by You at the time upon reasonable notice to You, without liability for trespass or any resulting damage, and take possession of the Goods. You agree to indemnify Us and hold Us harmless from all claims arising out of or in connection with Us taking possession of the Goods in accordance with this clause;

(iii) We may retain all amounts paid to us on account of the Goods and suspend or cancel any further production and delivery of Goods for You;

(iv) We shall be entitled, but not obligated, to resell any Goods repossessed by Us in accordance with this clause; and

(v) We may recover from You all reasonable costs incurred by Us in connection with any Goods repossessed under this clause (including legal costs on a full indemnity basis) and the amount payable will be a debt due and payable without demand from the date on which We incur liability for the cost, expense or fee.

(f) If, at the time We seek to take possession of the Goods in accordance with this clause, the Goods have been incorporated by You in any other item or goods, We will

be treated as owners of such other items or goods together with You, as tenants in common in proportion to our respective contributions.

10. Delivery

(a) The delivery dates and completion times contained in any quotation, offer or price list provided to You are estimates only, unless expressly stated to be an essential term and may be varied at any time by Us depending upon the availability of Goods, materials, labour and other contingencies. All backorders will be delivered to You freight free as quickly as Goods become available. All Austream Goods are quoted ex-factory Melbourne or Perth.

(b) In circumstances where the Goods are being shipped to a region where You are arranging collection and unless expressly agreed otherwise in writing by Us, the following terms apply:

(i) the method and date of delivery of all Goods shall be on the terms stated in the quotation, offer or price list provided to You (as applicable) and shall be at Your cost and expense (ex Warehouse from Our Premises) and You agree that in the event that any freight or delivery charges are paid by Us, You must reimburse Us the full amount of such charges on demand;

(ii) delivery of such Goods by Us is complete when the Goods are collected by You or Your nominated agent or carrier; and

(iii) delivery of such Goods is at all time at Your risk.

(c) In circumstances where we have agreed to deliver the Goods to your nominated address for delivery, the following terms shall apply:

(i) If you have a current credit facility in place with Us, and your nominated address for delivery is located in Victoria, New South Wales, ACT, Queensland (excluding far north Queensland), or metropolitan areas of Adelaide or Perth, and Your Order is valued at \$1,200 or more (excl. GST and delivery charges), the Prices quoted for your Order will include delivery costs (FIS);

(ii) all other Orders will be dispatched "freight collect" to your nominated freight account or otherwise by our choice of carrier and a minimum delivery fee of \$30 (excl. GST) will apply where Orders are delivered by our choice of carrier (\$40 (excl. GST) minimum delivery fee to NT and Tasmania), such delivery fees to be subject to amendment from time to time by Us in Our absolute discretion; and

(iii) deliveries will only be made at the ground floor level to a kerbside drop or goods receiving area where it then becomes Your responsibility and expense to supply such labour and equipment as may be necessary to unload Your Order.

11. Force Majeure

We will not be liable for any failure to perform, or delay in performance of, any obligation where such failure or delay is due to anything beyond Our reasonable control including, but not limited to, adverse weather or terrain, strikes, lockouts and other industrial action, material shortages, failure of any of Our suppliers to supply, accidents, power or data transmission failure, breakdowns of plant or machinery, war, changes of government, import or export regulations or embargoes.

12. Inspection and Return of Goods

(a) You will be deemed to have accepted the Goods, free from any defect or other non-conformity, unless We receive a substantiated claim from You within 7 days from the date of delivery and/or installation of the Goods in accordance with these Trading Terms.

(b) Except where Goods supplied by Us are defective and subject to any warranty:

(i) Goods will only be accepted for return if You have given prior written notice to Us (confirming Your reasons for returning the Goods and stating the applicable invoice number) of Your intention to return the Goods and We have notified You in writing with a completed GRN form that We will accept such return, and that a copy of the GRN Form supplied by us accompanies the goods being returned;

(ii) We may refuse to accept Goods where they are used, no longer in their original packaging or are returned more than 2 months after delivery to You;

(iii) We will refuse to accept the return of any Goods which are non-standard manufacture or non-stock items where such Goods have been correctly delivered by Us;

(iv) delivery of all Goods returned by You must be arranged with Your carrier and is at Your expense and risk; and

(v) in the event that We agree to accept the return of any Goods, You may be required to agree to pay a 15% restocking fee, such fee to be subject to amendment from time to time by Us in Our absolute discretion.

(c) We will only accept the return of Goods from You if the Goods are in the same condition as when the Goods were originally delivered to You, provided that Our acceptance of Goods returned by You is not an acceptance of or granting of credit to You.

Continued >

TERMS AND CONDITIONS (continued)

13. Limitation of Liability and Warranties

(a) The Competition and Consumer Act 2010 (Cth) may imply certain conditions and warranties into these Trading Terms that cannot be excluded or modified. These Trading Terms do not exclude or modify any of those conditions if to do so would contravene that law or make any part of these Trading Terms void.

(b) Where our products are used in a Commercial environment, Subject to the provisions of this clause 13, We will repair or replace any Goods which are manufactured or imported by Us where We, in Our absolute discretion, determine that such Goods, having regard to the materials, workmanship and the reasonable and recommended conditions of use and maintenance, are defective within the period of Warranty (as specified below):

All products within 13 months (Parts & Labour), from the date of delivery to the original Purchaser with the exception of the following:

Asahi Rice Cookers - Back to Base 13 months parts and 13 months labour warranty.

Atlas Shelving - 15 year warranty against rust and corrosion (components only).

Bonn Ovens / Microwaves:

Bonn Models CM-1043T, CM-1052T - Back to Base 24 months parts and 13 months labour warranty.

Bonn Models CM-902T - Back to Base 13 months parts and 13 months labour warranty.

Bonn Models CM-2100G and CM-1401G - On Site 24 months parts and 13 months labour.

Duke models - On Site 24 months parts and labour

Dynamic Mixers - All Back to Base 24 months parts and 24 months labour warranty except: GIGAMIX - on-site 24 months parts and 24 months labour warranty.

Edlund - All models Back to Base 13 months except Crown Punch machines.

General Microwaves - Back to Base 13 months parts and 13 months labour warranty.

Hatco - Back to Base Warranty models: GR-FFB, GMFFL, TPT-230-4-10, RCTHW-1E.

Jetstream Tapware - Five Year on-site warranty - excludes faulty installation, sensitivity adjustments on electronic models, failure to instal pressure limiting devices where required.

Jetstream Heavy Duty Hose Reels - 13 month on-site warranty.

Vito - Back to Base Warranty models: all EXCEPT Vito X Vacuum Filtration Systems.

Yellow Induction - Back to Base Warranty models: All Countertop.

Subject to the following conditions:

(i) this warranty will cover parts and labour unless specified otherwise, subject to the following limitations:

(A) damage to cutting blades, toaster elements, light globes, infrared tubes, quartz tubes or any glass items;

(B) where FSM is not responsible for installation - damage caused by improper installation or improper connection to incorrect gas, voltage, incorrect pressure or poor quality water;

(C) damage caused during transit or by accident;

(D) damage caused by negligence, abuse, unauthorised repair or the use of unauthorised spare parts;

(E) damage caused by improper cleaning, maintenance or operation;

(F) damage caused by voltage or gas conversion, pilot light adjustments, thermostat calibrations or any unauthorised alteration or modification;

(G) FSM's liability under this warranty is limited to the repair or replacement of defective Goods and all other costs (including, without limitation, any travel costs, labour costs, overtime rates, installation costs, freight and delivery costs to and from FSM premises to the premises of an authorised repairer, or similar surcharges, fees and costs arising out of a warranty claim are excluded;

(ii) all warranty repair work will be performed between the hours of 8.30 am and 4.30 pm on normal working days;

On site warranty services are limited to sites within 50km from the nearest FSM authorised service agent.

With respect to "Back to Base" warranties, FSM can sell or dispose of any goods:

(i) Not collected by customer or

(ii) Where customer refuses to accept delivery of those goods within 60 days of FSM notifying customer goods are available for collection and/or delivery.

(iii) the warranty period in respect of any spare parts or replacement parts provided under this warranty is limited to 3 months from the delivery of such spare parts or the installation of such replacement parts;

(iv) where the payment terms under these Trading Terms have not been complied with, warranty claims will not be accepted in respect of such Goods;

(v) Risk in any Goods shall remain with You while such Goods are in Our possession for the purposes of assessing a warranty claim and FSM, its servants and agents will not be responsible for any damage caused to the Goods while in Our possession.

(vi) To obtain the benefit of this warranty, You must notify Us in writing immediately upon becoming aware of the alleged defect and in any event within 13 months (or other period as stipulated under item 13) of delivery of the Goods to You (3 months from the delivery of any spare parts or the installation of replacement parts under this warranty).

To the extent that any Goods are not covered under the warranty described in this clause 13(b) but are subject to the original manufacturer's or the original supplier's warranty, FSM will pass on the benefit of such warranty to the extent permitted by law.

(c) Subject to (a) and (b) of this clause 13 and without limiting the terms of any written warranty given separately by Us, all warranties and conditions that may be implied into these Trading Terms are excluded and Our liability for breach of any implied

condition or warranty that cannot be excluded is limited (at Our option) to:

(i) in respect of Goods: the repair or replacement of those Goods or reimbursement of the cost of having those Goods repaired or replaced or refunding to You any payments made in respect of the Goods; and

(ii) in respect of Services: the re-supply of the Services or reimbursement of the cost of supplying the Services again or refunding to You any payments made in respect of the Services.

(d) Despite any other provision of these Trading Terms, to the extent permitted by law, We have no liability to You nor will You be entitled to claim against Us in respect of:

(i) any loss or damage caused by delay in delivery of the Goods or supply of the Services;

(ii) any death or injury arising out of or in connection with the supply of the Goods and/or Services or otherwise at law or in equity;

(iii) any consequential loss or damage (including, but not limited to, loss of profit, loss of revenue, loss of expected savings and opportunity costs) arising out of or in connection with the supply of the Goods and/or Services or otherwise at law or in equity; and

(iv) (if applicable) any loss or damage to Your property or any premises occupied by You arising out of or in connection with Our reasonable installation of the Goods and it is Your responsibility to provide adequate facilities to Us during such installation and to arrange the removal of all waste and hazardous material in connection with the installation process.

(e) You acknowledge that You have not relied on any representation made by Us which is not expressly stated in these Trading Terms.

(f) You acknowledge that You must ensure that the Goods are used and installed (if applicable) in a prudent and professional manner and in accordance with any specifications or instructions which were supplied with the Goods. You indemnify Us against all loss, liability, cost (including legal costs on a full indemnity basis) and expense incurred by Us as a result of any claim made or action brought in connection with the Goods or their use, other than a claim or action brought by You under these Trading Terms or a condition or warranty implied by law which is not excluded by these Trading Terms.

(g) You acknowledge that the exclusions and limitations in this clause are customary for suppliers of goods and services equivalent to the Goods and Services and are fair and reasonable given the nature of the Goods and Services and the applicable Prices.

(h) This clause shall survive termination of these Trading Terms

14. Consent to credit check and Privacy Act

(a) By signing the Account Application form, You acknowledge and agree that the Privacy Act 1988 (Cth) allows Us to give a credit reporting agency certain personal information about You at any time after signing such form for the purpose of assessing Your credit worthiness.

(b) You further acknowledge and agree that We may contact any trade reference provided by You or any credit provider and We may acquire information from them or provide information to them in relation to Your credit worthiness.

15. Guarantee and Indemnity

(a) The Guarantor hereby guarantees the due and punctual payment by signature of all monies that becomes due and payable by You to Us under these Trading Terms and also the due and punctual performance by You of Your obligations pursuant to these Trading Terms (the "Guarantee").

(b) In consideration for Us entering into these Trading Terms with You, the Guarantor hereby charges in Our favour the whole of the Guarantor's estate and interest, legal and equitable, in the Guarantor's personal and real property to secure the Guarantor's obligations pursuant to these Trading Terms.

(c) Without limiting Our rights under these Trading Terms, the Guarantor acknowledges and agrees that the charge on the Guarantor's property shall provide a caveatable interest in Our favour and the Guarantor consents to Us registering Our interest in the Guarantor's property, including by way of a caveat.

(d) The Guarantee is a continuing guarantee and shall not be discharged in whole or in part by the payment at any time of any part of the money payable by You pursuant to these Trading Terms or by settlement of account, intervening payment, or other matter or thing whatsoever.

(e) The Guarantee shall not be affected or prejudiced by any variation or modification at any time to these Trading Terms.

(f) The Guarantee shall at all times be valid and enforceable against the Guarantor notwithstanding:

(i) that no demand for payment has been made to You; and

(ii) that You were prohibited (whether expressly or by implication) by law, contract or otherwise from entering into these Trading Terms or lacked capacity, power or authority to enter into these Trading Terms.

(g) The Guarantee is irrevocable and shall not be affected by the death, bankruptcy or incapacity of any of the Guarantors.

Continued >

TERMS AND CONDITIONS (continued)

(h) If any payment made by You to Us is subsequently avoided or set aside by reason of any statutory provision or otherwise, such payment shall not prejudice or otherwise affect the Guarantee, or Our rights pursuant to this clause 15, to the intent that We shall, with respect to its rights recover pursuant to this clause 15 any monies secured, be restored to the same position in which We would have been had such payment not been made.

(i) In addition, the Guarantor agrees to indemnify Us in respect of all costs, charges and expenses whatsoever, which We may incur by reason of any default by You under or in relation to these Trading Terms.

(j) The Guarantor is liable to pay, and indemnify Us for, Our reasonable expenses incurred in enforcing the Guarantee.

(k) If more than one party signs as Guarantor, in this clause 15 each reference to "Guarantor" is a reference to them jointly and each of the individually.

16. General

(a) We may sub-contract the production, manufacture, supply or delivery of all or some of the Goods and Services.

(b) Any failure by Us to insist on strict compliance with these Trading Terms or any delay by Us in exercising Our rights under these Trading Terms will not constitute a variation or waiver of any provision of these Trading Terms or of any right available to us.

(c) If part of all of any provision of these Trading Terms or its application to any person or circumstance is held to be illegal or unenforceable, the provision will be interpreted so as to ensure it is not illegal or unenforceable. If any provision or part of it cannot be so interpreted, the provision or relevant part of it will be severed from these Trading Terms and the remaining provisions of these Trading Terms will continue in force.

(d) Where You are comprised of 2 or more persons, an agreement or obligation to be performed or observed by You binds those persons jointly and each of them severally.

(e) Any notice or document required to be served under these Trading Terms will be sufficiently served if delivered or posted by pre-paid post to the address of that party as notified by that party from time to time in writing. If the notice or document is posted, service will be deemed to have been effected 3 days after the date on which the document or notice was posted.

17. Governing Law

These Trading Terms are governed by the laws of Victoria. All parties submit to the non-exclusive jurisdiction of the Courts of Victoria, Australia. All parties submit to the non-exclusive jurisdiction of the Courts of Victoria, Australia.

3D HEATING TECHNOLOGY

Multiple heating elements delivering uniform temperature for perfect rice every time.

No more dried out or burnt rice with Asahi 3D heating technology. Carefully positioned elements in the base and lid of the CRC-S5000 minimises temperature differences in the cooking chamber.

This uniform temperature creates the ideal environment to cook and hold rice without moisture loss, drying out or burning.

The CRC-S5000 features electronically controlled temperature sensing for perfect rice every time compared to mechanically controlled rice cookers.

CRC-S5000

- Stainless steel finish
- Capacity 30 cups [5 litres]
- Non-stick easy clean bowl
- Fully automatic one touch operation
- Auto shut-off feature
- Indicator light when cooked
- Multiple heating elements; standard bottom element with additional top elements - provides greater temperature consistency in the bowl.
- Digital temperature sensing for accuracy and reliability
- Cooking and rice warming feature
- Supplied with measuring cup and spoon
- Electrical: 1590 watts, 7A, supplied with 10 amp plug
- Dimensions 450 mm Dia. x 350H;
- Weight: 8.6 kg

LIST PRICE EA. **\$610**

**15 YEAR
WARRANTY**

ATLAS shelving features a true powder-epoxy over zinc-chromate electroplating that ensures a strong durable bright silver coloured finish as well as in-built anti-microbial properties to inhibit bacterial growth. This shelving handles high heat and coolroom/freezer/high moisture environments with ease. All ATLAS wire shelving **NOW comes with a 15 YEAR WARRANTY** against rust and corrosion.

All ATLAS wire shelving is manufactured under strict quality control procedures and manufactured with *anti-microbial protection*. The open wire truss reinforced shelves feature front to back welded surface ribs for added strength which increases free air circulation and visibility. Easily adjustable and expandable to change with your needs, shelves adjust on 25 mm (1") increments. Each shelf has a load bearing capacity up to 270 kg (spread evenly across the shelf). Shelving units are available in kit form with four or five shelves, in wire or removable plastic mat to suit any application. Individual shelves, posts and accessories are also available. A large stock inventory allows fast delivery Australia wide.

4 SHELF WIRE SHELVING KITS Includes 4 wire shelves, four posts 1830mm high & all hardware

Why not use our FREE shelf quoting service?

Send us your plans and we'll send you an accurate quote to suit each location, in wire or plastic mat options.

Once ordered, the quote is converted to an invoice/packing ticket, so that each bay is identified on the cartons to make on-site assembly so much easier and faster.

Just another innovative service from FSM Atlas.

ATLAS Plastic Mat shelving features removable polymer composite mats over a sturdy zinc chromate epoxy coated frame for the best in storage for coolrooms and freezers. Anti-microbial protection is built right into the mat and wire/posts for life-long protection. Easily removed and cleaned, these mats provide a hygienic solution to food storage without having to dismantle shelf units. All ATLAS shelving comes with a 15 Year Warranty against corrosion.

Add UV to your ventilation system.

UV has been used in Kitchen Exhaust hoods for many years and uses processes called photolysis and ozonolysis to break down grease. In photolysis the UV disassociates the bonds within the grease atoms. In ozonolysis, oxygen atoms (O₂) are disassociated and these recombine into ozone (O₃). The ozone then reacts with the grease and other organic compounds. The result from these processes is carbon dioxide (CO₂), water (H₂O), ozone, products such as peroxyacyl nitrates, and a small amount of white powder (sodium, calcium and organic compounds).

Our High Energy Ozone UV lamps are specifically designed for maximum output in high heat airflows. They are installed in the exhaust plenum inside the hood itself.

With a choice of ventilation systems and technologies to suit any application, Austream canopies can be custom built to your requirements.

Manufacturer Declaration of Conformity to AS1668.1 - 2015 Austream Kitchen Ventilation Systems

FSM is Australian owned and owns the registered name Austream; a low velocity commercial kitchen ventilation system. Austream is manufactured to the highest European specifications; The German standard VDI2052 and the British specification DW172. Austream is designed to DW172:2018 and meet the criteria of VDI2052:2017. These exhaust hoods are an engineered solution and as such have specific requirements to allow them to perform to their design and comply directly to BCA 2019 Volume 1, Amendment 1, Clause F4.12.

Austream canopies utilise UL-1046 listed filters and comply with AS1668.1-2015 Clause 6.2.9.

Austream low velocity hoods meet and exceed the requirements of AS1668.2-2012. Section 3 clause 3.4.1, the standard states 'Alternative exhaust hood designs including proprietary designs may be used provided that it can be established that the performance of such hoods is at least equivalent to the hoods described in this section.' VDI2052:2017 and DW172:2018 are widely adopted and used throughout Australia and both exceed the requirements of the AS1668.2-2012 standard and this can be proven through existing installations in Australia.

Made to order, any size

FSM has been trading in Australia since 1976 and has established a national reputation for providing high quality food service equipment to all sectors of the industry. We continue to innovate and lead the way in trends, with the Austream kitchen ventilation system being a new solution available to provide our customers with long term solutions that improve their productivity and the bottom line.

✓ USER FRIENDLY

- + Touch mode interface with smart menu system, controls are intuitive and simple to use.
- + **Easy to clean:** Infra-red elements tilt-up for cleaning.
- + Removable metal rack and bottom jetplate.
- + Allows the use of the metal trays, pans, screens, simplifies cooking.
- + Built-in self-diagnostics.

✓ HIGH SPEED WITH LESS NOISE

- + Quick heat up.
- + Variable-speed, vertically recirculated air convection and impingement, can heat, brown, and crisp powerfully and intelligently with low noise.
- + supplied with 15 amp cord + plug.
- + Stirrer to help ensure even distribution of air and microwave.
- + 383Wmm x 693Dmm x 610Hmm

✓ DURABLE AND LONG LASTING

- + Exterior 430 stainless steel.
- + Interior 304 stainless steel.
- + Insulated cook chamber.

✓ CONVENIENT AND ADAPTABLE TO YOUR NEEDS

- + Three "Set TEMP" modes to meet different temperature requirement.
- + Temperature setting: 0-280°C.
- + Total 432 recipes with multi-stage programming (Up to 6 stages for each recipe).
- + Edit recipe and image on both oven and PC.
- + USB port to load recipes and photos.
- + Mounts almost flush to wall.
- + Bake, roast, toast, brown, and crisp foods. You pick!

✓ CONSISTENT RESULTS ALWAYS

- + The Bonn oven is a combination of forced convection, high speed tuned impinged air, top launched microwave that guarantees even and consistent results.
- + Built-in catalytic converter breaks down grease-laden vapors, allowing for ventless operation.

ACCESSORIES INCLUDED

Teflon basket, rack,
baking stone, non-stick
baking pad, paddle

Bonn

The Bonn Performance Series Microwaves offer users preset programming, ceramic base, full stainless steel construction, generous 21 litre capacity and a choice of output power.

Incorporating the latest generation high efficiency Magnetron, these models incorporate many of the design features from the Bonn High Performance Range of ovens, including Direct Ducted Magnetron cooling, motorised stirrer fan for even heating along with all the safety features such as toughened inner door glass, heavy duty door safety latches and double-strengthened door hinges - all part of Bonn's stringent total safety philosophy.

Get commercial quality and speed with ease of operation and superior Bonn quality.

Supplied with 24 Month Parts / 13 Month Labour Back to Base Warranty*

Performance Range Features

Grab'n'Go Door Handle

Heavy Duty trigger-less metal door handle for years of reliable use.

Direct Ducted Magnetron Cooling Design

Industry leading magnetron life span. Unique ducted design by Bonn. Cold air is plumbed directly into the magnetron, with hot exhaust air plumbed to exit the oven achieving maximum cooling efficiency.

Programmable Touch Pad

20 programmable presets for easy, rapid heating of meals.

High Efficiency Magnetron

Latest generation magnetron design enabling power output up to 1200 watts.

Heavy Duty Door Safety Latch

Heavy Duty nylon door latches, guarantees maximum safety to user.

Safety

Toughened glass (not film) inner door screen protects door grill, preventing possible microwave leakage and maximum safety to user.

Motorised Stirrer Fan

Concealed Stirrer Fan for even heating of food.

Ceramic Base

Easy clean up of spills and larger useable space when compared to rotating glass turntable.

Peace of Mind at a Glance

CoolCheck has all of the features of standard Coldmaster pans with the added benefit of color changing technology. Hold contents at or below the food safe temperature of 40°F for up to 6-8 hours. When the unit is no longer at a safe temperature, the color change indicates it's time to exchange the CoolCheck with a fresh one.

Benefits

Color Changing Technology
Color fades from blue to white when temperatures are no longer safe

Maintain Food Safe Temperatures
6-8 hours of hold time for maximum food protection

Convenient and Clean
StorPlus EZ Access
Hinged Lids available

Fast and Efficient
Store temperature-sensitive food in-line for ultra-fast service

GripLite® An Economical Alternative

Quality construction ensures limited slipping and sliding of glasses and dinnerware.

Benefits

Sturdy

Polypropylene copolymer construction

Fewer Spills

Molded-in rubber liner prevents slipping and sliding

Stain & Odor Resistant

Maintains appearance longer

Alternative to Cork

A more sanitary alternative to cork trays

Code	Description	Pack Size	\$ PACK
1400GL004	GripLite® Round Tray 360mm - Black	12	220.80
1600GL004	GripLite® Round Tray 420mm - Black	12	374.40

Griptite™ Best Grip

Built from the ground up; the Griptite 2 tray is unmatched. The long-life, non-skid surface grips drinkware and plates better – reducing spills, breakage, and cost. The coated tray edge is a bumper against heavy daily use. We take our trays through rigorous testing to ensure they excel in both function and durability.

Benefits

Less Slip & Tip

Holds a full glass at a steeper angle than ever before

Durable Materials

Impact and drop tested for superior performance

Beautiful Surface

Looks great longer by resisting stains

Long Lasting

Field-tested to withstand years of high-demand serving

StorPlus™ High Heat Food Pans

- High heat pans excel in high temperature applications (-40°F to 375°F)
- Reinforced top and bottom corners on both pan and lid helps prevent chipping and cracking
- Spoonable bottoms makes removal of contents easier and helps prevent food waste
- Molded-in capacity indicators are listed in both quarts and liters
- Textured non-slip finish on corners, sides, bottom and lid reduce scratches
- Smooth interior finish makes clean-up easy
- Food Pan sizes meet specifications for use in food bars and steam tables
- Pans meet EN 631-1 Euro Norm standards for inter-stacking with existing pans
- NSF Listed; dishwasher safe

Spread, Scoop & Serve Perfect Portions

With Color-Coded Measure Misers®, you can spread, scoop and serve perfect portions of food with ease and precision. Choose a solid cup bottom for thicker foods or a perforated bottom for dishing out juicy vegetables and other side dishes. Varying handle lengths lend themselves use in a variety of bin bins and pots—perfect for a busy catering environment or restaurant. Each miser color is dedicated to a certain size, so make food service quicker by dishing out precise portions with ease!

Benefits

Precise Portioning

Measured cup creates consistent proportions

Color-Coded

Color represents a specific measurement for convenient serving

Perforated & Solid Bottoms

Drain excess liquid from food and spread sauce with ease

Varying Handle Lengths

Tailor miser lengths to various food pan depths

Clean Rack. Clean Dishes

From the most fragile tableware to heavy-duty kitchen items such as utensils and cutlery, OptiClean Dish Racks offer the safest sanitary cleaning option. OptiClean Racks are engineered to flow. The honeycomb design ensures durability and the open wall ensures a free flow of water and soap. Wash, dry and hold with OptiClean Dish Racks.

Benefits

Honeycomb Design

Ensures durability, weight dispersion and the free flow of water and soap.

Rounded Edges

Discourages clinging food particles and releases dirty water

Secure Universal Stacking

Ensures a smooth transition to Carlisle washracks from other industry racks without

Comfort Curve Handles

Comfortable carrying on all four sides of rack

DYNAMIC

A NEW DYNAMIC® WAY TO PREPARE FOOD

Since creating the commercial mixer in 1964, Dynamic has continued to develop and create an entire range of culinary preparation devices, used in professional kitchens throughout the world.

Knowledge and experience have brought great notoriety to our company. As well as being the specialist producer of commercial mixers,

DYNAMIC is also the manual salad spinners creator and offers a large range of manual food cutters.

French manufacturer, we have total control over all aspects of production which guarantee reliable, robust and high quality products.

PROFESSIONAL SERIES TURBO LIQUIDISER

Designation
GIGAMIX TB002

Mixer attachment only	270 mm
Speed R.P.M.	4000
Voltage*	400 V, 3-phased + neutral, 50 Hz
Power	2,1 Kw
Min working height	500 mm
Max Working Height.	790mm = amplitude height 290mm
Overall Dimensions	950 x 600 x 1700
Extended	1700 x 600 x 1200mm
Weight	79kg

LIST PRICE \$27600

The Super Mixer for large capacity applications. The Gigamix is designed for high volume, heavy duty mixing duties. Stainless steel construction offers many years of hygienic, uninterrupted food preparation.

Constructed with heavy duty locking casters and tilting mechanism that allows for easy transport, safe and secure operation and convenient space saving storage.

- Distance between frame and mixer tube assembly: 800mm
- Distance between bottom of mixer head and floor: minimum 500mm & maximum 790mm

TILTING MECHANISM ENHANCES OPERATIONAL EASE AND PROVIDES A SMALL STORAGE FOOTPRINT

*Requires 20amp plug (not supplied)

ATTACHMENTS/ACCESSORIES

Choose from the following options to tailor the Gigamix to your operation:

TB004 EMULSIFIER / BLENDER ATTACHMENT

The patented Dynamic Blender is the ultimate solution for super smooth blending. The unique "crushing hammer" process enables superior smoothness and finer textures. Processed product has a longer shelf life with reduced separation.

LIST PRICE \$4730

TB030 DYNA PUMP PUMP-OUT ACCESSORY

This exclusive attachment allows for fast, easy transfer of product directly to packaging or other containers. Fits easily to the blender attachment for a seamless processing solution.

LIST PRICE \$3500

Safe secure locking mechanism and castors

ADVANTAGES

- **Comfort:** Enhanced maneuverability thanks to the brake wheels.
- **Versatility:** Various accessories.
- **Usability:** Easy storage.
- **Hygiene:** 100% stainless steel for easy cleaning.
- **Output:** Powerful motor of 2,2 KW.
- **Performance :** time saving and maximum operating speed

MANUAL & ELECTRIC CAN OPENERS

Edlund are the industry leaders in quality, reliable can opening solutions and produce a wide range to suit any work load. Made tough with quality components, yet easy and safe to operate.

► Quality manufactured in USA ► Parts remove easily for replacement and cleaning ► Edlund blades are reversible for longer life ► Knife edges are intentionally dull and rounded to fold metal not cut it, thereby providing a smooth rim edge for greater safety.

PRODUCTION

SANITATION & STORAGE

The patented KSUV-18 Knife Sterilizer Cabinet provides superior sterilization compared to other methods or products using magnetic bars or metal racks to secure the knives. The exclusive non-filtering clear slotted knife holder and special mirrored interior walls eliminate shadows on knife surfaces within the cabinet that could prevent complete sterilization. The easy to operate mechanical timer can be set for up to 15 minutes, but the KSUV-18 will safely sterilize your knives in as little as 3 minutes with 99% efficacy**. It's like a SPF-99 (Sterilization Protection Factor) for your knives.

*Note: Knives not included

- 15 minute belled timer
- Holds up to 12 knives plus steel*
- Stainless steel construction
- LED lights indicate when door is closed and sterilization is in process
- UV filtered plexiglass door with lockable keyed handle
- Exclusive non UV filtering slotted knife holder
- 2 Larger slots to accommodate cleavers
- Safety interlock door

All the above supplied with 10amp plug. Units require a drain/tundish/heated evaporator tray.

DROP-IN HEATED CERAMIC GLASS HOTPLATE

These Italian Hotplates are engineered to keep warm food at the correct temperature in trays, pans or earthenware dishes.

The Ceran hotplate is flush-mounted into the stainless steel top for durability and easier cleaning.

Maximum operating surface temperature of 120°C is adjustable and controlled via a digital controller. Careful design and placement of the silicon heating blanket gives even heat across the ceramic glass hot plate, with faster warm up and better economy.

All Drop-in units can be fitted with optional gantries, in light or heat models with single or two-sided glass.

DRINK MAGIC

Refrigerated drink dispenser suitable for dairy products

Mix & Quality

Its continuous rotary system keeps the product well mixed and consistently blended for the best cold drink experience.

Push & Flow Tap

You can serve your drinks with only one hand, just press the glass against the tap to get the drink. It features high level of hygiene and simple to dismantle and clean.

Enhanced Cleaning Process

Features an easy bowl release system that, without the need for any tools, decreases time spent during assembly and disassembly process.

Easy to Cold

Easy to use two-switch control panel. There is a mixer switch and cooling switch, simply flipping up these two switches starts the mixer motor and begins the cooling process.

Durable Design

Made of hard and resistant plastic, ensures long life cycle in your premises. The plastic parts won't rust like metal drink dispensers, keeping its professional appearance.

Right Temperature, Boost Flavour

For most people, right temperature can enhance flavours. It is equipped with a digital temperature control that allows to adjust the cooling temperature between 0°C - 10°C

Crystal Clear Bowls

The unit features durable, crystal clear poly-carbonate bowls. Maximise the visibility while minimizes the risk of breakage ensuring many years of use.

GLO-RAY® PORTABLE FOOD WARMERS/CHIP DUMPS

With heat from above, below or both, Hatco Glo Ray® food warmers offer design flexibility without sacrificing food product quality. Ideal for use next to fry stations, drive-through windows, and service areas that require frequent and easy access, these units keep product at serving temperature and optimum quality.

GR-FFB

This excellent Food Warmer/Chip Dump has a preset heated base that conducts heat from the bottom while an adjustable infrared element heats from above.

A swing-away top provides fast and easy access to food pans.

Weight: 12Kgs

Dimensions: 324 x 610 x 508mm

Electrical: 750 Watts, 3 amp. supplied with corded 10amp plug.

LIST PRICE EA. \$2080

GMFFL

Hatco's latest Portable Food Warmer has a sleek rounded design and its black colour finish fits into any decor. This portable Food Warmer has heat and light from above in powder-coat black and comes with a sign holder on the front lower panel (sign not included) to maximise sales potential.

Suits 1/1 Gastronorm pan 100mm deep (not included).

Weight: 9.2Kgs

Dimensions: 329 x 644 x 445mm

Electrical: 610 Watts, 2.5 amp supplied with corded 10amp plug.

LIST PRICE EA. \$680

GLO-RAY® PORTABLE FRY STATIONS & MULTI PRODUCT

Designed with ample handling space between the heat source and the holding area to empty baskets, Glo-Ray Fry Holding Stations maintain 'just made' food temperatures. Ceramic elements direct radiant heat from above, while a preset thermostatically controlled heated base (adjustable on the MPWS-36) maintains uniform holding temperature from below. The slotted holding bin allows the rising heat to envelop the food, preventing soggy product. A sectional divider permits holding of multiple products simultaneously.

A range of options are available to customise each model to suit your own operation. Call your FSM representative.

GRFHS-21

Glo-Ray Portable Fry Station
Dimensions 540 x 700 x 550mm
Weight: 30Kgs
Electrical: 1200watts, 5 amp.
Supplied corded with a 10amp plug.

Weight: 8Kgs

LIST PRICE EA. \$965

**Pop Up Toaster with either
two lots of two or four slices
toasted simultaneously.**

Are You Buying the Right Commercial Toaster for Your Foodservice Operation?

What makes someone the “toast of the town?” Typically, it’s because they’re pretty incredible (or toast-worthy). But funny enough, the saying works for toast itself.

There’s nothing quite like a slice of hot, buttered toast; the comfort-food meter is off the charts (especially if you add a little cinnamon and sugar). Breakfast isn’t complete without a side of crispy toast or a delicious bagel — and a BBQ pork sandwich, BLT or cheeseburger doesn’t measure up without a crisped bun. Toasted products are a staple for almost every operation out there.

What to know about pop-up toasters

The benefits of a pop-up toaster:

A pop-up toaster is one of the most common types of toasters, and it’s also the least expensive on the market. Operation is simple with a standard dial to determine the preferred shade of toast, and a straightforward on-demand, push-down lever to “start” the unit up. These toasters typically use less energy and have a smaller footprint than other models.

Where a pop-up toaster shines

It’s familiar and easy-to-use controls make pop-up toasters perfect for front-of-the-house operations such as continental breakfasts, cafeterias or buffets. These settings (as well as coffee shops, small diners, and other establishments that demand less volume of toasted products) are the perfect candidates for a pop-up toaster. Look for a well-crafted, durable toaster with a removable crumb tray for easy cleanup. And longer, wider slots should be considered for increased versatility to toast items like bagels and hoagie buns. Lastly, if you plan to use a pop-up toaster in a front-of-house capacity, be aware of the aesthetics and choose one that not only functions well but also looks great.

TOAST-MAX **CONVEYOR** TOASTER

The Hatco Toast-Max entry-level conveyor toaster offers the flexibility and performance to perfectly toast bread and buns fast. Utilising conveyor speed, not temperature, to determine toasting colour, this allows for instant adjustment of toasting time to maintain quality.

TM-10H **up to 6 slices/minute**

4 position toast selector switch: off / toast / buns / standby mode.
89mm clearance to accommodate high profile bread products.
Easy-to-load rack with front or rear discharging.

**MASSIVE
PERFORMANCE
with Exclusive
Colorguard technology
that maintains
toast colour**

TQ Series Conveyor Toasters provide total control of the toasting of bread products. Individual controls are provided for top heat, bottom heat, conveyor speed and a stand-by switch to maximise quality and throughput. Colorgard sensing technology maintains toast quality through quiet or busy serving times. For those situations where you need to avoid patrons adjusting these controls unnecessarily, choose the TQ2 Security Cover for the TQ-805 Model.

The exclusive **ColorGuard® sensing system** monitors cabinet temperature and adjusts conveyor speed during high usage periods to assure uniform toast, improving customer satisfaction and reducing waste.

PLATE WARMER

Hatco's PW Plate Warmer is designed to hold easily accessible pre-heated serving plates, as serving hot food on pre-heated plates helps extend the holding times of most foods.

HATCO SALAMANDERS

Hatco's Salamander range is specially designed for versatility in the kitchen with the capabilities to cook, grill, and reheat food. With the patented movable heat unit housing, maximum thermal transfer is achieved and maximum power is only consumed whilst actually in cook mode. The unparalleled start-up speed is a result of Hatco's "INSTANT ON" heating elements located in the upper housing. Hatco® Salamanders offer unrivalled energy efficiency and easy operation to suit the most demanding requirements - of fine dining restaurants to fast food outlets.

TMS-1H THERMAX SALAMANDER

Movable upper housing to reduce the heat loss to food areas.

- The high powered heating elements are ready for use within 10 seconds.
- Two sets of independently controlled heating element sections give the benefits of flexibility and energy conservation.
- Cook mode selection switch controls left, right or both locations.
- Includes a hold mode switch that reduces power to 25% and keeps food at proper serving temperatures.
- Unit can be placed on a counter-top or mounted to any non-combustible wall with appropriate rigidity.
- Unit comes standard with grill, drip pan and wall mounting bracket.
- Weight: 70Kgs. Dimensions: 600W x 503D x 515Hmm.
- Electrical: 4Kw 17.4 amp. Supplied with cord but no plug.

LIST PRICE EA. \$5600

TMS2-1H SALAMANDER - DIGITAL CONTROL

Optimum temperature is reached instantly and efficiently when food products are placed on the grill plate.

- Instant-On heating elements located in the upper housing
- Plate detection feature activates the Instant-On heating elements when a plate (500g) is placed on the grill plate, and deactivates when removed
- Heating elements are only on when in use, eliminating residual heat in the kitchen
- Made of stainless steel for easy cleaning and durability
- Can be placed on a countertop or wall-mounted
- Hold mode could be adjusted to save 25-50% power
- Adjustable upper housing giving 170mm of vertical movement
- Flat, tactile control panel
- Ship Weight: 80Kgs Overall Dimensions: 630W x 505D x 568Hmm.
- Electrical: 4.1kw 17.2 amp. Supplied with cord but no plug.

FOOD WASTE MACERATOR AND DE-WATERING UNIT

From the world leaders in waste management, comes the revolutionary, and self-contained WasteStation De-waterer and Macerator.

Food waste comprises of up to 80% liquid and can be extremely costly to dispose of. WasteStation grinds the food waste into fine particles, these particles feed directly into the built-in dewatering system. The WasteStation forces out the excess liquid from the macerated waste. The grey water is fed directly to drain, and the resulting solid fraction of the food waste is collected in small, easily managed, lidded bins, ready for onward processing. IMC's self-cleaning function and self-emptying auger saves valuable staff time and the self-contained unit means improved hygiene, less noise and easy operation.

Tight for space and storage of meals for peak periods?

JACKSTACK offers so many advantages in storage, preparation and serving, you'll wonder how you did without it.

JACKSTACK is the world leader in the efficient storage and transport of up to 104 plates in minimum time from kitchen to storage or banquet areas.

Generous 150mm diameter wheels allow for easy maneuverability of the Jackstack anywhere, and the plate racks are easily adjustable to suit all applications - even mixing plate sizes.

Models provide 50mm spacing between plate supports and they can be loaded and unloaded from four sides, and carry up to 400 empty plates to the dishwasher.

Designed by Chefs, for chefs

JACKSTACK Model JS104

Makes it possible to stack between 12 to 104 plates of any size. Different size plates can be accommodated by adjusting the racks to suit. (For pizza applications, a special 'P' model longer arm unit is available at extra cost).

The unit comes with four castors (two with brakes), and easy to follow assembly instructions.

Assembled Dimensions: 600W x 600D x 1790Hmm

297-SW16 VERTICAL CONTACT BUN TOASTER - *COMPACT SIZE*

When maximum throughput speed is essential, Prince Castle Vertical Bun Toasters offer up to 750 buns per hour capacity for venues that have high demand. The NEW 297-SW16 model is up to 20% smaller in footprint compared to previous models, and includes the 'Air Flapper' heat and energy saving device and new Front Safety Shield for operator safety and comfort.

297-SW16

Slim-Line Vertical Bun Toaster – up to 750 Buns per hour.
New Air Flapper increases bun temperatures by up to 3°C and saves energy.
New operator heat shield provides greater operator safety.
Adjustable platen temperature up to 304°C.
Includes Teflon Kit, Air Flapper & Safety Shield.
Dimensions: 515W x 590H x 206Dmm
Weight: 32Kg
Electrical: 1890W, 8Amp.

LIST PRICE EA. \$5620

CTS-WCE SLIM-LINE VERTICAL TOASTER

Introducing Prince Castle's CTS-WCE Mini Slim-Line Vertical Contact Toaster. A revolutionary new design that increases toasting versatility, maximises space savings, and provides perfect caramelisation with the convenience of vertical contact toasting. The unique two-level platen design allows the operators to toast thicker bun crowns and thinner bun heels at the same time. The variable speed motor is adjustable to allow for toasting speeds up to 2200 buns per hour.

CTS-WCE

Sim-Line Vertical Bun Toaster – up to 2200 Buns per hour.
Small footprint of 514 x 184mm saves space
Adjustable toasting time from 9-40 seconds to customise product
Digital display and electronic controls make for precise and repeatable settings complete with wire belt
Simple to remove conveyor makes cleaning quick and easy
Dual compression adjustment knobs allow for maximum product flexibility
Accommodates all buns up to 1397mm in diameter
Heat Shield for cooler surfaces ensuring safer operation
Durable stainless steel construction makes the product easy-to-clean and maintain
Dimensions: 514W x 559H x 184Dmm
Weight: 30Kg
Electrical: 1500W, 6.25Amp.

TOMATO SABER

Prince Castle's Tomato Saber is the world's leading tomato slicing system. The Perma-Tight® blade cartridge never requires blade tightening or adjusting. Blade replacement is fast and easy – simply snap the blade cartridge into position and the Saber is ready to use. A contoured pusher head holds the tomato in place for slicing, and permanently lubricated bearings ensure the slicing stroke is smooth and quick. The exclusive tomato catcher snaps onto the unit and catches the sliced tomato for easy handling.

Overall dimensions: 465W x 216D x 238Hmm

Weight: 6.4Kg.

Patented Backlit™ Panel

These showy units are all about creating a spectacular display for your best bottles. Streamlined patented stainless steel wine racks ensure that your bottles are properly secured while maximizing the visibility of wine bottle labels. Its patented interior Backlit™ panel has three different light-emitting diode (LED) options – **Heliotrope**, **Amber** and **Vinotemp BioBlu™** (which helps reduce the growth of bacteria and mold) – and can be selected at any given time or the interior lighting can be turned off.

Patented Interior Backlit™ Panel:
(U.S. Patent No. D868,849 S)

Patented Label Forward, VinBo™ Racks: (U.S. Patent No. D910,089 S)

WINE COOLERS Backlit™ Panel

The VITO® Portable Oil Filter System is available in three capacities to suit your workload and fryer capacity. Simple to use drop-in unit - no need to drain oil from the fryer.

VITO® is the ONLY simple to use pressure filtration system that removes contaminants down to 5 microns in size - more efficient than in-built filters, and VITO® can easily pay for itself inside twelve months. And it switches off automatically so you can get on with other work.

Dishwasher safe designed and manufactured in Germany.

Save up to 50% on your frying oil costs, improve your food quality and reduce your labour costs all at the same time.

Add a VITO® FT 440 Oil Tester to determine *exactly* when to change the oil and save even more.

VITO® OIL FILTER SYSTEM

CODE	VITO MODEL	FILTER TIME (Approx)	CAPACITY & DESCRIPTION	WEIGHT	DIMS WHDmm	\$
101379	30	4.5 mins approx.	Suits fryers up to 12L itres volume. 300W (10Amp plug) Includes 10 Filters	6.3Kg	116 x 356 x 176	3165
103301 (Was 101380)	VM Connect (WAS 50)	4.5 mins approx.	Suits fryers up to 18 L itres volume. 300W (10Amp plug) Includes 10 Filters Wifi model - VITOconnect	7.7Kg	116 x 400 x 191	4695

VITO 30

VITO VM

VITO VL

Exclusive In-Fryer Filtering
With Automatic Shut Off

#VITOconnect

filter effectively, monitor smart

Connect

Connect the VITO 80 with the local Wifi network in the kitchen.

Serve

Configure the VITO easily with the mobile phone, tablet or PC. For example the filtration cycle time.

Select

Usage data can be analyzed directly, for example: number of filtration cycles, total run time, date of the last filtration.

View

Usage data can be viewed on different devices as well as via e-mail reports and the CRM system.

VITO X cleans the oil and stores it in its tank. It provides an easy and hygienic transport in the kitchen. Because of its innovative vacuum-filtration technology, particles remain in the filter medium in a dry condition. Like every VITO oil filter system the X provides a microfiltration ensuring the optimal quality of your oil is preserved. The unique design makes sure the X can handle temperatures up to 200°C and provides highest safety at work, due to avoiding direct contact with hot oil. After filtration the oil can easily be pumped back into the fryer automatically.

Save up to 50% on your frying oil costs, improve your food quality and reduce your labour costs all at the same time.

Add a VITO® FT 440 Oil Tester to determine *exactly* when to change the oil and save even more.

VITO® X VACUUM FILTRATION SYSTEM
