SCALE DIGITAL

SCDG33WD

The 33lb Digital Washdown Scale makes cleaning and maintaining the scale simple. From dry ingredients to meat cuts, the IP67 sealed body keeps unwanted substances from getting into the scale, preventing damage and unsanitary conditions. After use, the scale can be rinsed or completely submerged for cleaning. The Washdown Scale features a durable, light-weight construction and a 64-hour rechargeable battery, so its portable and ready to go where needed. Measuring is made easy with the Washdown Scale's unique lineup of features. The backlight provides easy visibility of the LCD display while the Parts Counting and Display Hold functions simplify the task of proper portion control.
