STANDARD FEATURES

- Made of approved foodsafe material allowing placement of food product directly on the glass surface
- Thermostatically-controlled ceramic glass surface heated base
- Lighted On/Off rocker switch
- All units are equipped with an attractive trim mounting ring available in stainless steel
- Recommended for use in metallic counters – for other surfaces, verify that the material is suitable for temperatures up to 93°C
- Units include control box with 915 mm conduit and 1829 mm cord and plug

Hatco Heated Base Glass Built-In Shelves have a heated ceramic glass top that creates uniform heat across the entire surface and are made of approved foodsafe material. Ideal for use on pass-through areas, buffet lines, and as hors d'oeuvre displays temperature. Ideal for pass-through areas, buffet lines or as a heated work shelf
